# PRAYER CONCERNS:

1. This July we'll start the Church Planting program in Medellin, North Cebu approximately 110 kilometers from Lapu-Lapu City. We already have contact people there. Please pray for our church volunteers' good health, receptive people in the area, safe travel, good weather, etc.
2. There will be a Youths Leadership Camp this coming July 18. Please pray for the safety of the young people, providence, success and good weather.
3. A safe and successful travel of Pastor Ian and his wife's visit to their home place in Mindanao and Leyte this coming last week of July. It has been almost 10 years that they haven't visited. It is part of ministering their own family and relatives.
4. The price for gas, oil and other goods is increasing. Please help pray that we can discipline ourselves to become frugal and industrious.

3. 7월 마지막 주에, 이안 목사 부부가 민다나오와 레이테에 있는 고향을 10년만에 방문합니다. 안전하게 잘 다녀올 수 있도록 기도해 주세요.
4. 가스, 석유 및 기타 상품의 가격이 상승하고 있습니다. 우리가 검소하고 근면해질 수 있도록 스스로를 단련할 수 있도록 기도해 주세요.

# THINGS TO BE THANKFUL FOR:

1. The two Presbytery meetings this year was a great success. The Gracepoint church was able to accommodate the Pastors from the whole Visayas area.
2. The church was shaken by many trials and afflictions this quarter but the strength of the LORD has sustained us to continue serving the LORD.
3. The 2022 Presidential election was successful and peaceful.
4. Despite of economic crises, church members continue to support the financial need of the church even though their monthly salary is small.
5. Many of our church scholars and students had finished their studies this school year and graduated. They're now enjoying their school vacation.
6. Always grateful for Jamsil Joong Ang Presbyterian Church for being our partner in this church ministry.
